

# Superior National Forest - Ninemile Lake

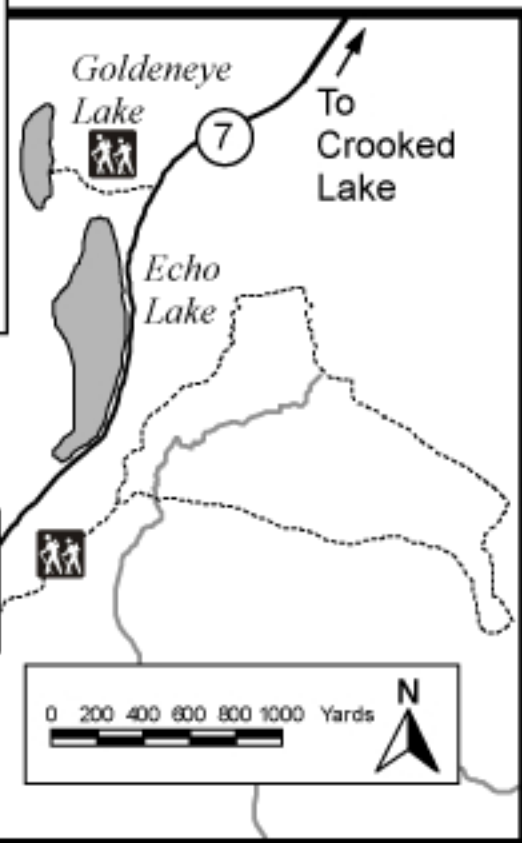

## Description

Ninemile Lake Campground is perfect for people wanting to do some exploring while camping. A boat ramp leads to Ninemile Lake, complete with islands and hidden bays. For birders and hikers, there is a five mile hiking trail through boreal hardwoods beginning across the road from the campground entrance. North of the campground on County 7 is access to Echo Lake, a portage access to Goldeneye Lake, and slightly further north is access to the Crooked Lake Canoe Route (see separate Crooked Lake Canoe Route flyer for map and details).
